

Victorian Grassland Earless Dragon Finger puppet!

This Year we Celebrate the year of the Dragon!
We also Celebrate finding the Victorian Grassland Earless Dragon, which was feared extinct. Zoos Victoria is helping this Endangered lizard. We hope you enjoy making this finger puppet, and seeing the Dragons here at the Zoo!

Step 1: Colour in your Grassland Earless Dragon

Step 2: Cut out the Grassland Earless Dragon

Step 3: Fold Along the dotted lines

Step 4: Sticky tape the top together and the bottom together, See the diagram for where to tape. This creates pockets for your finger and thumb, so you can open and close the Dragons mouth!
