As an organization, Zoos Victoria is committed to accommodating reasonable accommodations for guests with food allergies or intolerances. However, due to the nature of food preparation and the potential presence of trace allergens in our working environment and ingredients, there is always a risk of cross-contamination. It is important to note that in our kitchens, we use products that may contain allergens such as gluten, peanuts, other nuts, and sesame seeds. As a result, we cannot guarantee that these products will be absent from any of the meals or products we serve.

Guests with food allergies must be aware of this risk and consume our products at their own discretion. It is to be understood that Zoos Victoria will not assume any liability for any adverse reactions that may occur as a result of consuming our products or coming into contact with any of the ingredients used in the preparation of our meals. We advise guests with food allergies to exercise caution and speak with a member of our staff if they have any concerns regarding the contents of our menu items.
