<input type="checkbox"/> Tick if you do not want to receive any further communications from Zoos Victoria.		All donations of \$2 or more are tax deductible.	

**Zoos Victoria needs your help.
Are you up for the fight?**

THE FIGHTING EXTINCTION COMMON CENTS CHALLENGE

Victoria's grasslands are one of Australia's most threatened ecosystems with less than 0.1% of the habitat remaining. Sadly these shrinking grasslands are also home to some of Victoria's most precious animals.

The Eastern Barred Bandicoot is a master of disguise; incredible at hiding in its grassland habitat, with the help of its distinctive bars across its rump. Due to the clearing of grassland habitat and introduction of foxes and feral cats, these mischievous marsupials are Endangered.

There is something you can do to help these beautiful bandicoots! A new born Eastern Barred Bandicoot is almost the same size as a \$2 coin. Just 90 x \$2 coins are all it takes to adopt an Eastern Barred Bandicoot for a year. This will support Zoos Victoria's Eastern Barred Bandicoot threatened species program.

Your Common Cents donation helps Zoos Victoria fight extinction of the Eastern Barred Bandicoot through our captive breeding and re-introduction program.

The "Common Cents" Gold Challenge

Simply collect 90 x \$2 coins to donate to Zoos Victoria's Eastern Barred Bandicoot threatened species program. Be sure to mark your coins off on the Common Cents poster as you collect them.

Remember, the Eastern Barred Bandicoots are counting on you!

Upon collecting \$180 please send a cheque or money order clearly marked with your name, school and address to:

Zoos Victoria Foundation
