

DREAM DAY AT MELBOURNE ZOO

I am going to Melbourne Zoo with my family.

The zoo has lots of amazing things to discover.

I might have to wait in line with my family.
This is OK because I know I won't miss out.

I will wait with my family.

The zoo has lots of different animals. The animals won't touch me, and I won't touch the animals.

I can see the animals but they can't reach me.
I might look through a window or over a fence
to see the animals.

It might be hard to see some animals because they are asleep in the daytime.

It is OK if I don't see all the animals at the zoo.

Some animals will be on the path. This is OK because these animals are safe and they will not hurt me.

I cannot touch the animals even if they are close by. The animals do not want to be touched.

I might see or hear Zoo Keepers talking about the animals. Zoo Keepers wear light brown shirts and shorts. I will listen quietly while they talk.

There will be lots of activities I can choose to do.

I will be able to watch shows on a stage and see performers walking around.

I will tell my family if I need to go to the toilet and they will take me. There are lots of toilets at the zoo.

When I have finished using the toilet, I will wash my hands.

My family will tell me when it is time to leave.
We will go home together.

When I go to the zoo I can:

- Stay close to my family
- Listen to my family
- Walk and not run
- Only touch things that I am allowed to
